1809

16

1825

When Abe Lincoln was 16, he started  
splitting logs to make rails for  
wooden fences. Then he took a job  
cutting wood for steamboats on the Ohio R.

1825-1832

John C. Calhoun was Vice President of U.S. from 1825 to 1832. But he resigned from this office to become a Senator. He made many fiery speeches in the Senate to defend slavery and the rights of the South.

1825-29

Robert E. Lee worked hard at West  
Point. In his 4 yrs he did not  
1807 receive one single demerit.  
18 In his last yr, his teachers named him  
1825 outstanding cadet at the Academy.  
When he graduated, he stood second in his  
class.

Upon graduation as a 2nd Lt. he  
chose Corps of Engineers. He went home  
that summer, but in July his mother

stud.
